Hi Everyone,

Last's Week Wrap Up is here.

Have a nice weekend!

In this week's wrap-up, Jim shares some thoughts and information about lesson 6 in I'd Rather Drink Muddy Water break down. It's all about scatting and the use of blues scales and rhythm words as well.

Jim also takes a little time to mention this year's International Guitar Camp at Totally Guitars. This was Jim's 2nd year as the camp's vocal expert.

Have fun!
